

ABBOTS HALL OUT OF SCHOOL CLUB

QUESTIONS

During club sessions we are asked a wide range of questions, we will always try our best to answer these questions to the best of our ability.

Sometimes the questions might seem funny to us, but all questions are important to children.

In the past we have talked about a number of things including:

Santa

Tooth Fairy

Nature

Easter Bunny

Love

Mummy and Daddy

Biology

Bugs

Plants Plus lots more

We will also help with homework if children require our assistance.

Reading and helping with topics staff are happy to help and encourage children with their learning.
